

# DO YOU HAVE A GARAGE OR GRANNY FLAT?

**SHOW YOUR  
SOLIDARITY  
WITH THE  
HOUSELESS**

Winter is coming and those left out in the cold face deadly consequences if we don't house them. Government and low-income housing can take months to secure and winter is coming fast. Please help us help our unhoused friends by opening up your granny flat or garage. We can help make your garage warm and provide blankets and beds -- but we need your space!
